

USIToo

Social & environmental innovation

Support a sustainable, local and pioneering economy

Fewer goods,
more connections

CIRCULAR, SUSTAINABLE AND AFFORDABLE

You improve the living conditions of local communities by offering free rental subscriptions to selected target populations. You maximize your positive impact and will receive an annual report on the supported members' waste, materials, CO₂ and energy savings.

Let's rent what we use fewer than 10x per year

...there are already 600+ items in our catalogue...

A RESPONSIBLE COMPANY

SOCIAL & ECO-LOGICAL IMPACT

LOCAL SUPPORT

IMPACT

FOR YOU & BENEFICIARIES

Act in the interest of locals

01 TARGET POPULATION & HANDOVER POINTS

You select the target population and number of accounts according to your CSR or marketing policy. We'll take care of finding beneficiaries.

02 FOR THE BENEFICIARIES

They receive a free account with at least 150 points, which they can spend according to their needs. Deliveries are free for everyone.

03 COMMUNICATION

Your logo is displayed on the sponsored accounts and you become a preferred partner on our website. A presence and testimonials from our side at public fairs and events. We'll come participate at your events, on demand.

04 IMPACT+ REPORT

An annual document is ready-made for your CSR report and summarizes your contribution to societal and environmental impacts: charity work, jobs created, tons of CO₂ avoided, non-produced materials and waste, water footprint.

As of 20.000 € per year, entirely tax-deductible

Together, let's reduce 70.000 tons of CO₂ by 2021!
